

# M.M.C.S.

Students, there's no need to feel down  
We said, students, pick yourself off the ground  
We said, students, 'cause you're at the new school  
There's no need to be unhappy!

Students, there's a place you can be  
We said, students, the learning is free  
You can go there, and I'm sure you will find  
Many ways to have a good time!

It's fun to learn at the M.M.C.S.  
It's fun to learn at the M.M.C.S.

We've been working hard to get it ready  
You can hang out with all of your friends!

You can meet your pod peeps,  
You can have a good day,  
You can go the gym to play....

Students, are you listening to us?  
We said, students, being here is a plus!  
We said, students you can make some new friends  
But you've got to know this one thing!

No one, does it all by themselves,  
We said, students, put your books on the shelves,  
And just go there, to the M.M.C.S  
We're sure we can all make new friends.

It's fun to learn at the M.M.C.S.

You can get on a bus, you can walk down the road  
You can get here however you choose

Students, we were once in your shoes  
We said, students, we were scared and were blue  
WE felt anxious about leaving our schools  
We felt the whole world was crazy

That's when someone came up to us  
And said, TEACHERS, take a ride on the bus  
There's a place there called the M.M.C.S.  
You can teach in a new building

It's fun to work at the M.M.C.S
